Dear Parents

EUROPEAN DAY OF LANGUAGES

Wednesday 26th September

Every year we celebrate the diversity of language on the European day of Languages. On this day the children will complete activities around languages and learn about life in another country.

We ask that children wear their own clothes in the colours of any European flag of their choice.

Nursery children are wearing red, white and blue but the rest of the school can wear any flag colours they choose. Please make sure your child has sensible footwear to play in the playground and has a coat.

I am sure they will enjoy the activities and the celebration of all our languages.

Yours sincerely

H M Atkins
Head Teacher
