Children in Year 4 have been concerned about the plight of endangered animals and have looked at the work of the World Wildlife Fund (WWF). We are eager to raise funds for the charity.

Next week we have planned a series of events to raise money for the important work WWF carry out with their conservation programme for endangered animals. We would love the support of the Junior School (Year 3-6)

To promote awareness of endangered animals we are holding an **Art Competition**. Simply draw, paint or collage any endangered animal on paper of any size and clearly write your name and class on the back. Send in to **Year 4W by Thursday 27th June**. Prizes will be awarded on Friday 28th

On **Tuesday 25th Y4** will also have **Quiz Sheets** available for **50p each**, complete the Quiz and return **on Thursday 27th June**. Prizes are available (where there are sheets with the same number of winning correct answers then the winner will be drawn out of a hat)

On **Tuesday 25th** we will be holding a **Bake Sale** at break with cakes from 30p-50p

On **Wednesday 26th** we have a Break-time Sale planned with items from 20p-£1

Finally, on **Friday 27th** we will be hosting a **Tombola** with tickets costing 40p

We hope you will join in the fun and help us raise money for WWF
